To keep the cold and damp out of his bones. Not his own notion. Silence had come. "What's your name?" she asked.. "But," said Dragonfly and stopped, caught by the argument. After a while she said, "So a name has to be a gift?".The history of the Fourteen Kings of Havnor (actually six kings and eight queens, ~150-400) is."From far away."..kill you for it. Keep it hid. And keep away from great people and their crafty men!".have great gifts?". "What did you want, Diamond?".The two earliest surviving epic or historical texts are The Deed of Enlad, and The Song of the."He wanted me to go to Roke."..asked no more. But he wanted to see the girl as beautiful as a flowering tree. He rode past Old."He lived here," Dory said, a glimmer of pride breaking a moment through her helpless pain. "The.heart beating long after they are dead. Though it seemed terrible to bury a breathing body, yet he.watermetal's long gone. Listen, young'un, do you even know what cinnabar is?".there was nothing much to say about herself.. "Nais," I said very quietly. "Nais, don't be afraid. Really, there's nothing to fear."..up the magewind when he was twelve; and sailing on he would see the towers rise up from the water.,their blood ran mingled, making the sand red..The Doorkeeper bowed his head a little. A very faint smile made crescent curves in his cheeks. He.think; he could not remember. "Stay with me," he said, and did not know who he spoke to. He was."I don't know," he said, but he tried to bring the werelight round them, and after a while the.little and opened..The eagle came, circling and screaming over the valley, the hillside, the willows by the stream. It circled, searching and searching, and flew back as it had come..I had thought, upon entering, that the wall opposite the door was of glass, and that through."It's not my word, it's Waris's. But they've refused. They want the Rule of Roke to separate men from women, and they want men to make the decisions for all. Now what compromise can we make with them? Why did they come here, if they won't work with us?". "I'll ask them their name," Medra said. He smiled. "If they'll tell me, they can come in. And when they think they've learned everything, they can go out again. If they can tell me my name."."I could teach you how to do that for yourself," the wizard said, smiling, watching Otter rub and flex his aching wrists and work his lips that had been smashed against his teeth for hours. "The Hound told me that you're a lad of promise and might go far with a proper guide. If you'd like to visit the Court of the King, I can take you there. But maybe you don't know the King I'm talking of?".unbutton it, did not slip it off, just tore it, and let the shreds fall from her fingers, like trash..Maybe it was to escape the hunt that Medra came to Pendor, a long way west of the Inmost Sea, or maybe some rumor among the women of the Hand on Hosk sent him there. Pendor was a rich island, then, before the dragon Yevaud despoiled it. Wherever Medra had gone until then, he had found the lands like Havnor or worse, sunk in warfare, raids, and piracy, the fields full of weeds, the towns full of thieves. Maybe he thought, at first, that on Pendor he had found Morred's Isle, for the city was beautiful and peaceful and the people prosperous.. "Once I was on the high slopes," Mead said, "and a spring snowstorm came on me, and I lost my way. She came there. She came to me, not in the body, and guided me to the track. She was only twelve then."..few years their struggles had destroyed all central governance. The Archipelago became a.Hound meant well in sending the young man to Samory, but he did not understand the quality of."At home," Otter said. It wasn't a lie. He did have a pouch at home. He kept his fine-work tools."Farther."..Veil, with her gentle voice and smile, was implacable. She told Medra that though she had consented to his remaining on Roke, it was to keep watch on him. "You broke through our defenses once," she said. "All that you say of yourself may be true, and may not. What can you tell me that would make me trust you?".absence, his refusal of her. She had stopped trying to reach him, months ago, but her heart was.master again, if you will."..out of a shadow, disappeared behind one of the machines -- I did not see him open any door, he."Anieb," he whispered, "conic with me"..angry with him. He feared to insult, to offend her. What did she fear? His desire? Her own?- But."Oh, yes," he said, confused, and got up and limped back to the bedroom for his pouch. He brought."Enough of that, my dear," Dulse said, laying his hand on it. "Come now. No wonder I kept thinking about Silence. I should send for him ... send to him ... No. What did Ard say? Find the center, find the center. That's the question to ask. That's what to do..." As he muttered on to himself, routing out his heavy cloak, setting water to boil on the small fire he had lighted earlier, he wondered if he had always talked to himself, if he had talked all the time when Silence lived with him. No, it had become a habit after Silence left, he thought, with the bit of his mind that went on thinking the ordinary thoughts of life, while the rest of it made

Through that city.were old and uncanny. But in the Isles all books were old and all uncanny, what there was of them.. "Now, what is forbidden to the summoner, or any wizard, is to call a living spirit. We can call to them, yes. We can send to them a voice or a presentment, a seeming, of ourself. But we do not summon them, in spirit or in flesh, to come to us. Only the dead may we summon. Only the shadows. You can see why this must be. To summon a living man is to have entire power over him, body and mind. No one, no matter how strong or wise or great, can rightly own and use another..He had power to raise huge waves on the sea, and to stop the tide or bring it early; and his voice.Enlad:.THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Paln its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all..going to make me learn all his kind of stuff, after I got my name. But all this year he's kept.him. Later when he tried to repeat the word, he stood dumb..Only the Doorkeeper answered. He said, "I think we should go to our House, and open its doors."..against him, so that he destroyed himself." He thought for a long time, and said, "She gave me her.passengers to Roke. Dragonfly.They said little, seeming to consult and assent among themselves almost in silence. At last the shorter woman looked with her fierce eyes at Medra. "Stay if you will," she said..understand the Glosses of Danemer, and keep his mouth closed.. "I'm at the Cavuta, my second year. I've been neglecting things a bit lately, I wasn't.You can see why this must be. To summon a living man is to have entire power over him, body and.wrong more often than right, with the wizards warring, using poisons and curses recklessly to gain.The witch said nothing.. "I'll know. How do you know what name to say, Rose? Does the water tell you?". "Thank you for these and the shoes," he said, and thanking her for the gift, remembered her use-name but said only, "mistress." Erreth-Akbe's next challenger was a mage called the Firelord, whose power was so great that he.The summer ended too soon that year. Rain came early; snow fell in autumn even as far south as Roke. Storm followed storm, as if the winds had risen in rage against the tampering and meddling of the crafty men. Women sat together by the fire in the lonely farmhouses; people gathered round the hearths in Thwil Town. They listened to the wind blow and the rain beat or the silence of the snow. Outside Thwil Bay the sea thundered on the reefs and on the cliffs all round the shores of the island, a sea no boat could venture out in..wide awake now.. "He won't come here?". "He only taught me names."..Berry's place, and as she told her friend Tawny, laughing, he was cannier with the cows than.reflections. "Come on, where are you?" I heard her whisper. I saw only the pale smudge of her."Never fear," Diamond said, turned on his heel, and strode out. A string of dried sage caught on his head and trailed after him..to him, a game to play with Darkrose. Even the names of the True Speech that he had learned in the
