By mid-February, he'd begun to be alarmed. Early one morning, defying the weather, he posted himself outside her building and waited (five miserable hours) till she appeared. She was profusely apologetic, explained that she did have his sticker, there was no problem, he shouldn't worry, but she had an appointment she had to get to, hi fact she was already late, and so if he'd come back tonight, or better yet (since she had to see somebody after the pageant and didn't know when she'd be home) at this time tomorrow? Wells's The Island of Dr. Moreau, filmed with superbly demonic atmosphere as Island of Lost Souls in 1932. Charles Laughton, maybe the best actor yet to appear on film, gives an extraordinary performance as Dr. M., and Bela Lugosi captures the spirit of the beast men as the Speaker of the Law with the abhuman quality that characterized his Dracula. Now Burt Lancaster is one of film's most underrated actors, but his straightforward non-intellectual approach to the doctor role undermined the '70s trip to the Island; Richard Basehart didn't help matters by looking tike a beneficent Old Testament prophet in the Lugosi role. But even Laughton and Lugosi would have been hard put to come across, with the later film's completely uninteresting script and camerawork..the crowded space. It's a cliché" of the American entertainment industry that if it works (i.e., if it makes money), do it again. It's a little unfair to denigrate Hollywood and its offshoots for this; most of the arts have been doing it since the Pleistocene. Certainly in films and on TV this makes for a lot of boring material; for instance, we've not seen the end of all the copies, blatant and otherwise, of Star Wars.. "Cinderella!" he exclaimed. I know it's painful to be told that something in which one has invested intense emotion is not only bad art but bad for you, not only bad for you but ridiculous. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy? the promise of escape into a wonderful Other world? is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modem Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rad's The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson does), and the writers of Bored of the Rings, the Lampoon parody, from which came "Arrowroot, son of Arrowshirt".
