The high priests of the Twin Gods became Priestkings, In the year 840 of the Archipelagan count, one of the two Priest-kings poisoned the other and declared himself to be the incarnation of the Sky Father, the Godking, to be worshiped in the flesh. Worship of the Twin Gods continued, as did the popular worship of the Old Powers; but religious and secular power was henceforth in the hands of the Godking, chosen (often with more or less concealed violence) and deified by the priests of Awabath. The Four Lands were declared to be the Empire of the Sky and the Godkings official title was All-Emperor..walk with you, like this... He spent his youth and what remained of his inheritance in law courts and the anterooms of the Lords of Way in Shelieth, trying to prove his right to the whole domain as it had been a hundred years ago. He came back unsuccessful and embittered and spent his age drinking the hard red wine from his last vineyard and walking his boundaries with a troop of ill-treated, underfed dogs to keep interlopers off his land."Let me in, mother," he whispered in the tongue that was as old as the hill. That was a trade he wanted no part of. Their ships stank and their town stank. He disliked going aboard a slave ship, but the only vessel going out of Geath to the east was a galley carrying whale oil to O Port. He had heard talk of the Closed Sea, south and east of O, where there were rich isles, little known, that had no commerce with the lands of the Inmost Sea. What he sought might be there. When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the tune would come as part of the name, and he would sing out so clearly-- for his voice had re-established itself as a strong, dark tenor -- that Hemlock winced. Hemlock's was a very silent house.. But for some decades the kings of Hupun had been in conflict with the high priest and his followers in Awabath, the Holy City, fifty miles from Hupun. The priests of the Twin Gods were in the process of wresting power from the kings and making Awabath not only the religious but the political center of the country. Erreth-Akbe's visit seems to have coincided with the final shift of power from the kings to the priests. King Thoreg received him with honor, but Intathin the High Priest fought with him, defeated or deceived him, and for a time imprisoned him. The Ring that was to bond the two kingdoms was broken.. A carter walking at his mule's head with a load of oakwood came upon them and took them both to Woodedge. He could not make the young man let go of the dead woman. Weak and shaky as he was, he would not set his burden down on the load, but clambered into the cart holding her, and held her all the miles to Woodedge. All he said was "She saved me," and the carter asked no questions.. "Do you know the way in?" His almond-shaped eyes were attentive, yet seemed to look at her from miles or years away.. "Tell them-tell them I was wrong," Irioth said. "Tell them I did wrong. Tell Thorion-" He halted.. Bren's old dog had been. "He talks to em, and I'll swear they consider what he says. And that.
