September 22,1977 Source: P. T. Warrington Destination: W. S. Halson Subject: Attempts at.Zorphwar we had yesterday, and I most commend you on how weU you handled the forces of Zorph. It was a challenge all the way, and if I had not been on my toes, your final desperate tactic of launching an twelve thousand of your doomsday torpedoes would have destroyed me. However, when you made your attack, I was safely docked at a base star and thus protected by its powerful energy screens. Your attack succeeded only in wiping out the remnants of your own forces..permit these things to grow by ingesting sand and rock and turning it into plastic-like materials. She pulled at a copper."We have been studying this problem for some time now, and we believe there is a solution. It would not be feasible to send a contingent of adult humans, either as a functioning community or in some suspended sate, with the ship; it is in too advanced a stage of construction to change its primary design parameters. But then, why send adult humans at all?" He. spread his arms appealingly. "After all, the objective is simply to establish an extension of our race where it would be safe from any calamity that might befall us here, and such a location would be found only at the end of the voyage. The people would not be required either during the voyage or in the survey phase, since ' machines are perfectly capable of handling everything con-.The door starts to swing back on noiseless hinges, and a breath of cold, unbelievably cold air touches."Believe me, a little air would make me sleep much better..Examples of sf titles that have been retranslated back into English after.?I thought so at first, but I changed my mind.
