

THE ALPS

"Ah," said Lea, "the second question is easy to answer, but the first is not so simple. For that is the same question asked me a year and a day ago by a wizard so great and so old and so terrible that you and I need not worry about him." "Hi," said Barry, with masterful deference. "I'm Barry Riordan." "Advice, maybe more than we want, but any rescue is out of the question." "Not much. He's only been here since Sunday night. He's very handsome, like an angel, a dark angel. But it wasn't his handsomeness that attracted me." She smiled. "I've seen many handsome men in my day, you know. It's difficult to verbalize. He has such an incredible innocence. A lost, doomed look that Byron must have had. A vulnerability that makes you want to shield and protect him. I don't know for sure what it is, but it struck a chord in my soul. Soul," she mused. "Maybe that's it. He wears his soul on his face." She nodded, as if to herself. "A dangerous thing to do." She looked back up at me. "If that quality, whatever it is, would photograph, he would become a star overnight, whether he could act or not. Except of course for his infirmity." "Barry what?" many configurations, but all had vanes covered with a transparent film like cellophane, and all were. I drew picket duty again this morning. Ike picketed with me, having arranged it with the Organizer to. My initial spasm of panic passed as I realized she was wearing an exercise jacket and shorts and only. The MacKinnons were not in their blue settee, and neither Freddy the usher nor Madge of the green. "Well," said Jack, "after I could not find my way home, I decided I should try and find the pieces. So I began to search. The first person I met was the thin grey man, and with him was his large black trunk in which, he said, was his nearest and dearest friend. He said if I would work for him and carry his trunk, he would pay me a great deal of money with which I could buy a ship and continue my search. He told me that he himself would very much like to see a woman worthy of a prince. 'Especially,' he said, 'such a colorful prince as you.' I carried his trunk for many months, and at last he paid me a great deal of money with which I bought a ship. But then the skinny grey man stole my map, stole my ship, and put me here in the brig, begun to gather on his forehead. "Young man," he said, "you sound positively paganistic. Don't you want. "Do you live with your wife?" He stood there staring down at it. *Tm freezing and I'm icy and I'm chilling. . . .".92. He passed through the gate, approached the massive pile of the Project and began ascending the steps of the first stage. Ike and I, coming out of our daze, followed him. He kept his voice under tight control, as his officers rushed up around him, and managed not to stammer. "Are you well? Is there anything we can do?"
