He made out the big head more by touch than sight, stroking the silken dip between her eyes, scratching her forehead at the roots of the nubbin horns. Before the king was to be crowned, they went to Gont and sought our lord, to find what that meant, "a woman on Gont". Eh? But they did not see him, only my countrywoman Tenar of the Ring. She said she was not the woman they sought. And they found no one, nothing. So Lebannen judged it to be a prophecy yet to be fulfilled. And in Havnor he set his crown on his own head..".That indeed. The Archipelago became a battleground of hereditary

feudal princes, governments of small islands and city-states, and piratic warlords, all trying to increase their wealth and extend or defend their borders. Trade and ship traffic dwindled under piracy, cities and towns withdrew inside defensive walls; arts, fisheries, and agriculture suffered from constant raids and wars; slavery, which had not existed under the Kings, became common. Magic was the primary weapon in forays and battles. Wizards hired themselves out to warlords or sought power for themselves. He brought the boards from Sixth's mill in Re Albi, driving Gammer's ox-team; he laid the floor and polished it the next day, while the old wizard was up at Bog Lake gathering simples. When Dulse came home there it was, shining like a dark lake itself. "Have to wash my feet every time I come in," he grumbled. He walked in gingerly. The wood was so smooth it seemed soft to the bare sole. "Satin," he said. "You didn't do all that in one day without a spell or two. A village hut with a palace floor. Well, it'll be a sight, come winter, to see the fire shine in that! Or do I have to get me a carpet now? A fleecy one, on a golden warp?". He still looked forty, though he felt seventy and moved like it, wincing. He got his clothes on, foul as they were from days and days of travel. There was a pair of shoes under the chair, worn but good, strong shoes, and a pair of knit wool stockings to go with them. He put the stockings on his battered feet and limped into the kitchen.
